

# HUSANXON BAHODIRXONOV

## FULL-STACK DEVELOPER

---

Business Information Systems student at Westminster International University with a strong passion for software engineering, community leadership, and continuous learning. Experienced in Full-Stack JavaScript development using React, Next.js, Node.js, NestJS, PostgreSQL, and TypeScript. Active volunteer in Uzbekistan's technology ecosystem, contributing to multiple community projects while developing practical software solutions. Currently expanding my knowledge in Python and data science by building real-world projects.
